

PRODUCT DATA SHEET

SikaRoof® SpiraPave®

Adjustable stepjack pedestal system for raised pavers and decking flooring

DESCRIPTION

SikaRoof® SpiraPave® is an adjustable pedestal designed to support and level pavers and deckboards in raised flooring applications. Pedestals are manufactured from recycled polypropylene (PP), and it uses a stepjack mechanism to provide millimetric adjustments from 12 mm to 74 mm.

Creating a raised flooring generates usable space through hiding M&E services, and the void area also provides an insulation layer. Raised floorings also improve surface drainage, while providing waterproofing protection, waterproofing maintenance access and efflorescence elimination.

USES

Stepjack pedestal system for podiums, balconies, roof terraces and areas with hardscape finishes.

PRODUCT INFORMATION

Packaging	SikaRoof® SpiraPave®		
	T11	T12	T22
	T33	T34	T44

CHARACTERISTICS / ADVANTAGES

- Conceal M&E services
- Promotes surface drainage
- Better thermal insulation
- Access to waterproofing membrane
- Eliminates efflorescence
- Recyclable components
- Resistant to biological attack by moulds and algae
- Chemically resistant to acids, alkalis, oils and soil chemicals
- Operates within a wide service temperature range

Shelf Life	No expiration date if the product is stored in accordance to the storage conditions as stated in this Product Data Sheet.	
Storage Conditions	Products must be stored in their original packing, and under cool and dry conditions. The product must be protected from direct sunlight, rain, snow and ice, and any other elements.	
Diameter	Base Diameter	
	168 mm	
Height	Height Range	
	T11	12–18 mm
	T12	18–23 mm
	T22	23–29 mm
	T33	30–44 mm
	T34	45–59 mm
	T44	60–74 mm

TECHNICAL INFORMATION

Compressive Strength	15 kN
Service Temperature	-30 °C min. / +80 °C max.

BASIS OF PRODUCT DATA

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

IMPORTANT CONSIDERATIONS

- SikaRoof® SpiraPave® is not resistant to permanent weathering and UV exposure.
- When used in combination with Sarnafil® or Sika-Plan® membranes, a separation/protection layer is recommended.

For more information, please contact Sika Sales Personnel.

ECOLOGY, HEALTH AND SAFETY

This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. A safety data sheet following article 31 of the same regulation is not needed to bring the product to the market, to transport or to use it. For safe use follow the instructions given in the product data sheet. Based on our current knowledge, this product does not contain SVHC (substances of very high concern) as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above 0,1 % (w/w).

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
